Each SLAL member receives a membership card that provides valuable discounts from businesses like yours. We are asking you to acknowledge our members by giving them a discount upon visiting your establishment. These membership/discount cards will be valid for one year beginning August 1st. We will contact you each year to see if you would like to continue your participation in the program.

As a valued community leader, we believe you will want to support this worthy cause while bringing more customers into your establishment.
